

DAY 10 | May 10, 2020

Scripture

“This service you perform is not only supplying the needs of God’s people, but is also overflowing in many expressions of thanks to God.” – 2 CORINTHIANS 9:12

Inspiration

When we serve God’s people, two things happen. First, we meet real needs — physical, emotional, relational and material. And those needs are all around us. We see it in our work at Wellspring every single day, but more so now than ever. Second, our service ends up being an act of thanksgiving to God as people see that service, and understand our motives come from love, and that love comes from God. As we mark the blessings coming our way this month of May, we do so giving thanks to God through our service to others.

Prayer

GRACIOUS GOD, it’s amazing that you choose us to serve your people; we’re so blessed to be able to do that. Thank you for those opportunities where your love for us can flow straight through to those around us. Sometimes we do that in our jobs; sometimes you provide opportunity for us to do that outside of work. In either case, not only is it a blessing to us, but you accept it as our thanks to you — our way of showing the world through our actions that we are grateful to you, another expression of your love flowing through us. Help us, this day, to show our thanks to you by serving your people. **AMEN.**

Real Blessings

“Our teams have responded to this crisis in some beautiful ways. The partnership with **Feeding America in Grand Rapids** to deliver food to those in need is a great example of this.”
