

DAY 11 | May 11, 2020

Scripture

“Are not two sparrows sold for a penny? Yet not one of them will fall to the ground outside your Father’s care. And even the very hairs of your head are numbered. So don’t be afraid; you are worth more than sparrows!” — MATTHEW 10:29-31

Inspiration

We’re reminded here in the words of Jesus how much God cares for us. **It’s amazing to think that the God of the Universe is a God of details!** He even knows the number of hairs on our head. (It’s a daily subtraction problem for Him each day in my case!) And because He has such love and care for us, He puts blessings in place long before we know we need them. We’re hearing stories of that time and again as we go through these challenging times. So, let’s leave the worry and the details behind, and know that God’s got all that and He goes ahead of us to prepare exactly what we need when we need it!

Prayer

HEAVENLY FATHER, it’s amazing to us that you created the big, expansive universe, and yet you care for every detail in our lives. **As our loving Father, you know what we need and prepare it for us well before we even know we need it. Every little detail of our lives matters to you.** Thank you for loving us that much, and help us — particularly in these difficult times — to take you up on your offer to leave our worries up to you, so we can focus on the incredibly important work you’ve given us to do: the work of serving and caring for your people. As we do, we ask your continued blessings and protection. **AMEN.**

Real Blessings

“Last fall we held a training session to implement new functions of our time keeping system. We learned we were able to send text messages to employees by location and job function if needed. This is now another means to help fill shifts due to call-offs, which is happening more frequently these days. This blessing has saved time for schedulers and supervisors, and ensures that our residents and clients are well served!
