

DAY 13 | May 13, 2020

Scripture

“Do not conform to the pattern of this world, but be transformed by the renewing of your mind...” —ROMANS 12:2

Inspiration

Change is good. Really. If that weren't true, we'd all be behaving as if we were still children; but we're not, because we've changed. We've been transformed — through time, experience, circumstance. **And often the growth we have experienced in life has been accelerated by struggles and challenges. God uses these times to teach us, to shape us, to build us up.** During this time of pandemic, there is no doubt our hearts and minds are being transformed, expanding and growing. That's another hidden blessing in all this — that's how God works!

Prayer

GRACIOUS GOD, you love us so much you don't let us stagnate — you teach us, change us, shape us and grow us throughout our lives. **Every experience, every relationship, every situation is an opportunity under your loving hand to be transformed, for the better! But it's not just change for the sake of change — you do all this so that we are better equipped to serve your people, better able to share your love with others.** Thank you for the blessing of change in our lives, even when that change comes as a result of hard things. Help us to make the most of who we are becoming. **AMEN.**

Real Blessings

“Seeing how our vendors/partners have completely wrapped around us during this time has been an incredible blessing and testament to the work we do and the mission we serve at Wellspring. We've all been changed in this time; and we've had to be strong — and our communities will forever be reshaped and changed.”
