

DAY 3 | May 3, 2020

Scripture

“Therefore encourage one another and build each other up, just as, in fact, you are doing.” — 1 THESSALONIANS 5:11

Inspiration

Building each other up and supporting one another is a great blessing, to be sure. **We see this in so many ways these days, knowing that God works through relationships mutually committed to serve and support one another.** When we're committed to each other, we build each other up — a true blessing that God has made evident during this difficult time. God set us on this journey to ready our leaders for this very moment — getting ahead of us and preparing the way for us — truly a blessing. How have you been a blessing to others by building them up?

Prayer

GRACIOUS GOD, you were in this fight with COVID-19 long before we were — in fact long before we even knew this was coming. You provided learning, growth and new capabilities for our leaders in advance of this time of great need for leadership. **Your love is evident in the way we support each other and build each other up at Wellspring, serving one another out of genuine care and concern.** Thank you for this special blessing as that care and unity allows us to serve your people with great strength and courage. Continue to show us ways to support one another each day. **AMEN.**

Real Blessings

“More than a year ago, Leadership Council (Wellspring's top leaders) made a commitment to become better leaders, provide greater support for one another, and be more unified in our work. That journey has paid off. During this crisis, the leadership of Wellspring is strong and unified, serving each other and the needs of the organization.”
