A Month of Blessings

DAY 6 | May 6, 2020

Scripture

"For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do." — **EPHESIANS 2:10**

Inspiration

It is hard to fathom, but God created each of us with a set of skills, talents and gifts in order that we might carry out a specific purpose. We are His handiwork! But there's more to this verse — because we must understand what that purpose is all about — a set of "good works" prepared in advance for us to do. In other words, a divine "to do" list that we've been specially crafted to perform. **So, here we are in the midst of a pandemic, surrounded by colleagues who, just like you, have been hand-crafted and hand-selected by God, and collectively our "good works to do list" is playing out in front of us.** What a blessing to know we are right where God wants us, doing exactly what He prepared us to do!

Real Blessings

"These have truly been challenging times on every front, but every one of our staff has risen to the occasion in such a powerful way, working diligently **— and most importantly together in one accord —** while we look to GOD for guidance, strength and perseverance to provide HOPE to a hurting world. It almost feels like HE hand-picked every single one of us and placed us here because He knew what was coming!"

**— RENEE DILLON
Director of Clinical Oversight**

Prayer

GRACIOUS GOD, you've done some amazing things for us lately, but none more amazing than the thought that you created us with special care, special skills and special talents in order that our gifts might make a difference. But even more, you've brought groups of colleagues together, each with their own set of skills and talents, interweaving them into a strong team equipped in every way to accomplish their collective "to do" list. Thank you for loving us so much that you have called us to this important work, knowing that through us, we are blessed to serve your people in order that your love may abound even during these difficult times. **AMEN.**
