

Skilled Substance Use Recovery Program

ADMISSIONS CRITERIA

PROCEDURE

Referral is screened to ensure a potential resident meets eligibility requirements for the program:

- A. 3-day qualifying hospital stay with a need for skilled service and comorbid Substance Use Disorder
- B. Viable payor source and/or managed care contract can be secured
- C. Discharge potential, as this is meant to be a short-term stay
- D. Alert and Oriented x 3 and has a BIMS Score of 10 or above
- E. No recent (within 48-72 hours) restraint use, need for 1:1 supervision, assaultive/aggressive behaviors toward staff or other patients, and does not have suicidal ideation with a plan
- F. CIWA Score (Clinical Institute Withdrawal Assessment) of 10 or less, indicating referral is not in active withdrawal (i.e., D.T.s)
